Wright Robinson College

'Excellence is our Aim'

Dear Parents

I write to you at the start of a new and exciting academic year for Wright Robinson College students and staff.

I want you to know how proud I was to see your daughters and sons returning to College, on Monday 5th September 2016, looking so smart in their uniforms and ready for learning. They are a credit to you and your family.

Once again, I am delighted to be able to report that Wright Robinson College has achieved outstanding GCSE examination results when considered against every Government progress measure. All students at Wright Robinson College made better than average progress when compared to every other co-educational secondary school and Academy in Manchester. Indeed our progress measure was better than most schools in England and Wales. This is a fantastic achievement.

As you know, Wright Robinson College is an Outstanding School. This was further recognised in an article that was published in July 2016 about Wright Robinson College, in the magazine 'Government Initiative IQ.' This is attached. The full publication focussed on the differing journeys of schools in England and Wales that have recently judged to be Outstanding by Ofsted.

As you can imagine, I am immensely proud to see Wright Robinson College being featured in such a magazine. I feel that the article clearly shows what can be achieved when students, parents and school staff work together, sharing the same aspirational goal of educational success.

This article is a fitting tribute to the professionalism and hard and dedicated work of my staff which as you know, they complete, day in and day out, for the benefit of our learners.

Thank you for your continued support for Team Wright Robinson.

Yours sincerely

Mr N L Beischer
Headteacher

Our College – Our Community – Our Future

A place of excellence where teamwork ensures learners
are confident of success and proud of their College and Community
