## Leadership of Wright Robinson from 1<sup>st</sup> September 2018

Dear Parent/Carer,

As you will be aware, Wright Robinson College has been on a significant journey of improvement over the last decade. After years of hard work from staff, pupils, parents and governors we were awarded a grading of Outstanding from Ofsted in 2016.

Given the journey that the college has undertaken, it is paramount to Governors that the high standards of the college are maintained going forward. As such, the Governors feel that the best option for ensuring adequate succession planning and avoiding turbulence in the future is to commence an Acting Co-Headship model. Governors firmly believe that Co-headship will not only allow the retention of expertise, but it will ensure the development of a new leader and continuity for the college.

I would like to inform you that, from 1<sup>st</sup> September 2018, Mr Haworth will be acting as Co-Headteacher for 2 days per week as agreed by the Full Governing Body.

Mr Haworth is currently the Deputy Headteacher responsible for the Behaviour and Safety of pupils at the college. He has extensive knowledge of the college, having been a staff member for 25 years and was a significant part of the college's journey to Outstanding. Both the governors and Mr Beischer have every confidence that Mr Haworth is best placed to continue driving the Outstanding practices and culture of Wright Robinson College.

If you have any queries relating to the above information, please do not hesitate to contact me via the Clerk to the Governing Body.

Kind regards,

Mr Colin Brierley  
Chair of Governors
