

# Wright Robinson College

Dear Parent/Carer,

Wright Robinson has been using **Parentapps** since early 2019 and this has greatly improved the way we communicate with our parents. We have noticed that you haven't yet downloaded and accepted your invitation.

The app will provide you with instant access to our calendar, event information, letters and other documents. It also will link directly to our website. Additionally, you will be able to view and submit consent forms and receive secure documents from within the app. It also enables us to invite multiple family members to download the app, ensuring that the right people have access to important information regarding your child.

Lastly, the app is fully secure and GDPR compliant and in order to access it you will need to activate your account.

**You should have received a TEXT around the 9<sup>th</sup> December inviting you to the app, with further instructions on downloading and accessing the content. If you have not received an invite, please contact the school and we can check we have the correct contact information for you.**

**It is very important you download the school app as this is our main source of communication and you will be missing out on all important information about your child and what's happening within our school.**

If you have any questions, please get in touch.

Yours sincerely,

Mr. M Haworth  
Headteacher
