

# Wright Robinson College

Headteacher's Address Thursday 19<sup>th</sup> March 2020

Good Morning Everyone and thank you all once again for attending college today.

Obviously you are aware of the Government's announcement yesterday, so for many students this will be your last two days in college for some time.

I hope that you will make the most of that time in ensuring that you have all of the resources you require to continue your studies throughout the enforced break. Obviously you have all now received work folders and any student who has not, should speak to a member of the year team today.

To all our amazing Year 11 students I wish to say that the college will do everything within its powers to ensure that you receive the grades you deserve whatever decision the government ultimately comes to regarding your examinations. Clearly, for now the examinations are not taking place. Your work ethic has been first class and as a college we are extremely proud of you. No doubt you are very disappointed as are the staff and I but I must reiterate we will not allow this situation to negatively impact upon your future aspirations. Whilst I appreciate this is easy for me to say, I would advise calm and pragmatism at this time. Please trust in the fact that the college will ensure that you receive the outcomes you deserve.

To the Year 10's, I must stress the absolute necessity to complete all of the work that you have been set at home. Your examinations will definitely be taking place and it is important that you do not allow this situation to disadvantage you and your life chances. We as a college will not allow that to happen but it is important that you complete the work and demonstrate a positive attitude to your studies.

Indeed this also applies to students in Years 7, 8 and 9.

It is imperative that all students form routines at home that enable you to complete the work that has been set. By establishing daily routines it will help you to organise your approach to completing your work.

Finally, I must thank our dedicated staff who have been operating like the 4<sup>th</sup> emergency service to date and will no doubt continue to do so in the future.

I will update you all when we have a clearer picture later today.

Thanks again and enjoy your day.
