

9th July 2021

Dear Parent/Carer

New Admission Students- Covid Testing for September 2021 Re-opening

The Government have announced new guidance in order to ensure a safe re-opening of schools in September. As students will potentially mix with lots of other people during the summer holidays, all students who have consented to testing should receive two on-site lateral flow tests prior to their return.

In order to facilitate the testing required and avoid a staggered start to the new academic year, the college will operate the following testing timetable prior to the start of term:

Date	Testing Group(s)	Allocated Testing Time Slot	Test Number
Thursday 26th August	Year 7	8.30am - 10.30am	1
Tuesday 31st August	Year 7	8.30am - 10.30am	2

Consent

In order to conduct the September testing for our new Year 7 students we require parental consent. Our testing team are extremely experienced and have conducted over 9,000 tests to date.

In order to provide consent, please follow the link below and complete the consent form by Wednesday 14th September.

<https://www.surveymonkey.co.uk/r/wrcseptconsent>

Once consent has been given, your son/daughter must attend the college site for both tests on each of their allocated days and during the correct time slot.

Testing Information

Testing will be conducted in the Double Sports Hall of the college, entrance via the Community doors. Staff will be located at the front of the college site to direct you to the testing entrance.

Students should not eat or drink in the 30 minutes prior to their test.

If your son/daughter is unable to attend their allocated time slot, catch-up sessions are available on Friday 27th August and Wednesday 1st September 1.15pm – 3.15pm.

The Wright Robinson testing programme has been highly effective to date in identifying asymptomatic cases of Covid-19 and therefore reducing further spread of the virus.

I would like to thank you for your support with the college testing programme.

Yours sincerely

Mr M Haworth
Headteacher
